UNDERGARMENTS:

For modesty when changing costumes backstage and for ease in slipping costumes on and off during quick costume changes:

- **Male performers:** remember to wear light gray or tan color biker shorts. **(No colorful underwear).**
NO SOCKS are worn in Ballet dance shoes.
Black ankle socks in black shoes and white ankle socks in white shoes.
- **Female performers:** remember to wear flesh-tone tights (or convertible flesh-tone tights if you need to be barefoot in a piece) with a tan camisole strap leotard,.
Amazon flesh tone convertible tights example: <https://a.co/d/043p0m2f>
Amazon tan camisole strap leotard example: <https://a.co/d/06yCPvJs>

(No underwear should be worn under your flesh tone tights. THINK OF YOUR TIGHTS AS YOUR UNDERWEAR).

HAIR, MAKE-UP, NAIL POLISH, JEWELRY & EYE GLASSES:

- **LION KING Hair** should be pulled back away from face in two high sitting **SPACE BUNS (SEE EXAMPLES ABOVE)**. No loose hair strands or bangs covering the front of the face.
- **LION KING Natural make-up only**, unless otherwise required for your character performance. If specific make-up is needed for **LION KING**, those requirements will be sent separately.
- **Natural colored nail polish only on fingers and toes**, or no colored nail polish.
- **No Jewelry** : No necklaces, rings & bracelets. Only small ear studs are okay.
- **Eye Glasses:** For safety reasons eyeglasses are not allowed on stage: eye glasses are placed in costume bin while performing on stage during dress rehearsals and shows, or secured with a sports head strap in clear color. Here is a link on Amazon: <https://a.co/d/03IFaCZG>

Heartbeat LION KING Rehearsal & Show Information

SIX IMPORTANT DETAILS FOR PERFORMERS AND THEIR PARENTS TO KNOW

These requirements have been sent out at the beginning of the school year and as reminders sent prior to each performance.

1. **Performers will need to arrive at their rehearsals and shows promptly, wearing their first costume** and bring all other costumes, hair pieces, and dance shoes. **We recommend placing all costume pieces and dance shoes in one laundry bin or one luggage piece WITH YOUR NAME ON IT.** ❤️ **Make sure all your costumes and dance shoes are labeled with your name or initials on the inside** so if an item is left behind or accidentally picked up by another performer, we know who to return it to.

2. **Costume Care and Personal Hygiene:** As a community of performers, we need to be thoughtful of our personal hygiene and costume care while we are in close quarters backstage, and repeatedly wearing/perspiring in our costumes throughout multiple dress rehearsals and shows.

❤️ ***It is important to shower the same day as your rehearsals and shows, and to freshen your costumes after each rehearsal and show with Febreze (or a similar product or any naturally homemade product that doesn't contain oils that may damage the fabric of the costume). Youth ages and older should use deodorant while wearing costumes to avoid bacteria build up leading to costumes holding body odors. In lieu of cheap costumes that fall apart by showtime, Heartbeat only orders costumes from our vetted costume companies that create durable products that can hold up to multiple uses. It is rare, but if you find your costume needs mending during rehearsals do not put off caring for your costumes and accessories.***

3. **Parents, other family members, and friends are not allowed inside Heartbeat's studio rooms, or Ives Theatre dressing room during rehearsals and shows.** Only one parent of a Munchkin student (3-4 years), and a Child student (5-7 years), will be allowed in the Theater seating and in Heartbeat's studios during their Munchkin and Child dress rehearsals. After their last dance has been rehearsed, Munchkin and Child dancers and their parents can leave.

❤️ ***This is to keep voices down both backstage and in the performing space so that students can keep their focus and for teachers to be able to easily communicate with their students without needing to raise their voices over side conversations. Only students, teachers and previously assigned parent supervisors will be allowed in these areas. During rehearsals at Heartbeat, parents may wait in the lobby areas, in their***

Heartbeat LION KING Rehearsal & Show Information

car, or leave and then return to pick up their child when they have finished rehearsing. At the Heartbeat Dress rehearsal students will be able to use Heartbeat's phone to call their parents when they have finished rehearsing. **Please be sure that your child knows which phone number to call when finished.** At dress rehearsal at Ives Theater, students will need to use their personal phones to call parents, or parents may wait in the theater lobby area.

4. **No food or beverage (other than water) are allowed in Heartbeat or at the Ives Theater and changing areas.** From years of experience, we know that spills do happen, and costumes and props can be terribly damaged by those accidents.

♥ *At the theater, if you would like to eat between your shows, you will need to **eat outside of the Ives Theatre dressing room areas while not wearing your costumes.** You are free to use the Theatre lobby area to eat and relax between shows. **If food or beverages other than water are found backstage, students will be asked to leave and finish them in the lobby before returning to their dressing room areas.***

5. **For safety reasons eyeglasses are not allowed on stage:** If performers wear eyeglasses, they will need to place them in their costume bin while they are performing on stage during dress rehearsals and show performances. The exception would be for severe medical reasons. In these instances, **eyeglasses will need to be safely secured with a sports head strap in clear color.** Here is a link on Amazon to purchase an eyeglass sports strap in clear color: <https://a.co/d/f40PTwA>

♥ *The reason for this is that eyeglasses reflect stage lights and can easily fall off while performing. In the past, performers' eyeglasses have fallen off and become severely damaged on stage. Eyeglasses have also caused injury to other performers by being thrown off a dancer who is executing a turn or jump, and hitting another dancer. Where needed for acting characters, prop eyeglasses may be used, as prop eyeglasses do not have lenses and dancing does not take place in scene work.*

6. **JUNE TUITION REMINDER** Although you will spend more weekly time with rehearsals and shows, more than your usual weekly class hours, your normal monthly tuition rate does not increase during the month of June.

Heartbeat LION KING Rehearsal & Show Information

Just as a reminder of Heartbeat's three performance requirements:

These requirements have been sent out with each monthly letter and posted on our website.

Heartbeat requires that ***all performers must have their class(es) required costume pieces and footwear in order to perform with their class on stage.*** Please label your costume pieces and footwear with your name so they can be easily returned to the owner if they become lost or found.

Heartbeat requires that ***all students under the age of 18 have a guardian present at each of their performances.*** This is in case of an emergency such as injury or illness. If an emergency happens during a presentation, we make note of the guardian's seat number so our backstage teachers may quickly find the child's guardian if needed.

Heartbeat also *requires that* ***each student-family purchase one keepsake video recording of the performance.*** We feel it is important to memorialize each student's experiences as they grow and develop in the performing arts. The recordings are the only way that a student can actually see their own performance and feel pride in how much they have personally grown. ***Also due to very strict copyright regulations in force during our productions, we are not at liberty to allow parents to film, photograph or perform any electronic recordings of their own.***

Following the show, you will receive an email when your Video recordings are ready for your pick up at Heartbeat.

We are looking forward to an amazing performance season with you!

♥ Deb, Kristin and all of your Heartbeat Teachers!
